7.

Once you select the alert type, click Next.

Enter (A) the amount you want to trigger the alert, (B) the account the alert is for, (C) select the Email option, and (D) make sure the email address is correct—it will default to the email address saved in your mobile banking account. Then click Finish.

9. Click Done.

You have completed alert set up! To add new alert types, repeat steps 5-9.

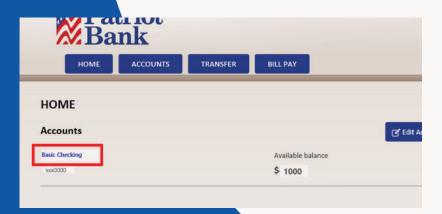

patriot-bank.com

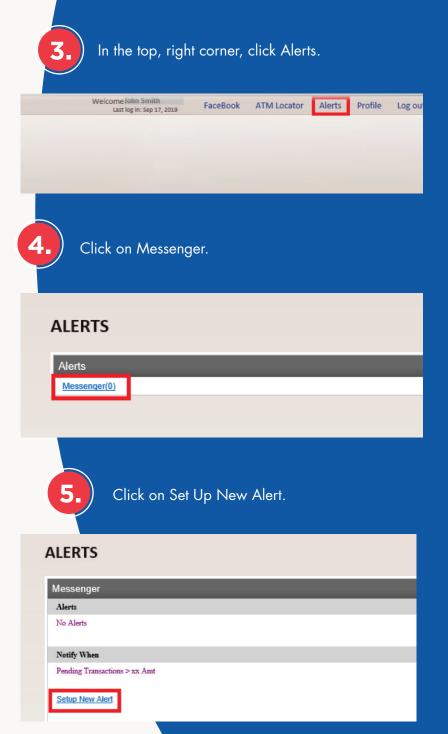

Setting Up Mobile Alerts Navigate to patriot-bank.com and log in with your Username and Password.

On the Home screen, click on the account you want to make an alert for.
