TIPS FOR MOBILE DEPOSIT

1. Close all other apps running in the background on the mobile phone before using *Mobile Deposits*.
2. Flatten folded or crumpled checks before taking photos and keep corners visible.
3. Place the check on a solid dark background before taking photos.
4. Take the photos in a well-lit area with no shadows on the check.
5. Keep the phone flat and steady above the check when taking photos.
6. Make sure the entire check image is visible and in focus before submitting the deposit.
7. Make sure the numbers on the bottom of the check are readable.
8. Know that the daily deposit limit is \$1,500.
9. Remember – the deposit may take up to two business days to post to the account.
